Dear BCS Parents,

As you may know, in January, on behalf of the Bullis Charter School Board of Directors, I announced [a compromise with the Los Altos School District to split our school](#) across two campuses - Egan and Blach. Our compromise requires that LASD provide various space and facility allocations, as well as numerous other requests.

You may have seen an advertisement run in the local papers, announcing the compromise we made with LASD. That ad is sure to draw criticism from a few, but to a larger, more unaware, population it will bring attention to an effort that is not only supported by the BCS Board, but by our parents and many in the Los Altos community as well.

In the next few days, you might receive a mailer that is similar to the ad. It's our intent to make sure that every household within the District knows the facts about what we're trying to accomplish at BCS and what we've been up against. The advertisement and mailer are two examples of steps that we plan to take to ensure LASD residents know what BCS is all about.

As a parent of a BCS student, rest assured that my interest, and the BCS Board's interest, lies in making sure that each and every BCS student receives the best education possible. If you have any questions about what we're doing, please do not hesitate to contact me at ken.moore@moore.org.

Thank you,

Ken Moore
BCS Board Chair
