Dear BCS Community,

On Tuesday, March 6, non-quorum subsets of the Los Altos School District and Bullis Charter School boards met in closed session for mediation with the Honorable Richard J. McAdams. The mediation is, by law, a confidential proceeding in which both parties can explore potential solutions to the long running concerns between both groups. Negotiations remain ongoing between the parties. We hope to develop a proposal, which we could then discuss with the community and our full boards in open session.

Sincerely,

Ken Moore
Board Chair
